PROFESSIONAL SUMMARY

Third-year Computer Science undergraduate with strong knowledge in Python, Machine Learning, C++, MySQL, and MS Excel. Passionate about coding, problem-solving, and building efficient technical solutions. A creative and innovative thinker with a solid foundation in business analysis and DBMS, committed to high-quality project delivery.

EDUCATION

SRM Institute of Science and Technology (SRM IST-Ramapuram) *Expected 2027*
B.Tech in Computer Science and Engineering CGPA: 8.93/10

TECHNICAL PROJECTS

Temple Parking Using CCTV *Jan 2026 - Present*
Technologies: Python, YOLO, Leaflet

- Developed a machine learning system for real-time vehicle detection and parking availability monitoring.
- Engineered a computer vision pipeline to monitor parking zones and identify vacant slots in real-time, reducing congestion during peak festival hours.
- Replaced manual tracking with an AI-driven surveillance system that detects vehicle entry/exit and provides live occupancy data to temple authorities.
- Integrated the parking data into a unified AdminConsole to allow staff to monitor parking status and direct traffic flow effectively.

Temple Crowd Count *Jan 2026 - Present*
Technologies: Python, YOLO

- Implemented a real-time crowd counting solution to provide live darshan status updates.
- Developed the Temple Counter module using deep learning models to accurately count individuals in high-density video feeds.
- Implemented logic to categorize crowd levels and trigger automated alerts when safety thresholds are exceeded, aiding in stampede prevention.
- Created a comprehensive dashboard within the AdminConsole to visualize footfall trends, peak visiting hours, and historical devotee data for better event planning.

CERTIFICATIONS

DATABASE MANAGEMENT SYSTEM	NPTEL	Mar 2025
INTRODUCTION TO MACHINE LEARNING	NPTEL	Sep 2025

(ID: NPTEL25CS1495233201542)

TECHNICAL SKILLS

Programming Languages: Python, C++, React.js, MySQL, HTML, CSS
Technical Skills: DBMS, Machine Learning, Business Analysis, MS Excel

LANGUAGES

Telugu (Native), English (Limited Working Proficiency), Hindi (Elementary Proficiency)
